

# CAMP ENCORE/CODA

## *2017 - Our 68th Season!*

### Enrollment form note to parents

We are so pleased that you are considering enrolling your musical child in Encore/Coda for the coming summer! We are always excited to welcome another young musician to our 'musical family' and would like to bring some things to your attention about our enrollment process:

We use a rolling admissions process, filling available spots based on instrumental & vocal needs, as well as cabin availability, as the school year progresses, without specific deadline dates. We begin in October and continue into the springtime. Please see the following enrollment form for session dates, payment details, enrollment policies and recording guidance.

We are interested in having a personal relationship with all our families, and knowing as much as we can about each individual camper, so we would like to talk with you on the phone about your child, and about camp generally, before you enroll. A phone conversation is a great way for you and us to exchange information, get answers to specific questions, and develop a sense of each other.

Please email us ([jamie@encore-coda.com](mailto:jamie@encore-coda.com)) to set up a talk time, or call us directly at our school year office in Brookline, MA at 617-325-1541.

We look forward to hearing from you and speaking with you!

Best wishes,

*JAMIE and ELLEN*
