

## 2019 CONSERVATORY SCHEDULING FORM

### I. READ THESE DIRECTIONS FIRST

A. In our weekly schedule there are available 40 hours of activity periods Monday - Friday (excluding meals, bunk cleanup and evening activities). Your schedule will be a combination of required and elective activities, which are illustrated in the following pages. Remember as you complete this form, that you will need 2 hours per day for your own practice.

B. **PLEASE NOTE** that we don't always run classes exactly on the Monday through Friday scheme during camp. It varies from week to week. Some weeks we have trip day on a weekday, and then makeup those classes on Saturday. Most weeks we do have classes for a total of five days. In any given week, the non-class days are a mix of trip days, parents' days and more lightly scheduled days (usually on Sundays) when we arrange organized sports and other recreational group activities for the whole camp.

C. The purpose of your completing this form now is to give us an idea of what electives your child would like to have, and to allow us to move ahead with the scheduling of private lessons. **This is only the first of several steps through which this schedule will pass before classes start.** Do not worry about 'making mistakes' on this form. If there are any, we will fix them before camp begins!

D. Required activities for conservatory campers include Private Lessons, Performance Class, Master Classes, Musicianship (bi-weekly theory and ear training class), large ensemble, chamber music or combo, chamber orchestra if appropriate. Most of these activities have already been blocked off on the schedule forms. The times for all required classes and electives are listed on the following pages.

E. When you have completed your choices on page 4, please send that page to us so that we can schedule your private lessons. Please do this **BY MAY 21<sup>st</sup>**.

F. All activities are listed in the following format: CLASS (class abbreviation) DAYS CLASS MEETS time

example: WIND ENSEMBLE (WE) TU TH 9:00, 10:00

If you were to elect this class you would fill in 'WE' on the schedule form on Tuesday and Thursday at 9:00 & 10:00. The abbreviations TU and TH stand for Tuesday and Thursday. Classes meet at all times listed unless otherwise stated, so you would fill in this class like this:

	<u>MONDAY</u>		<u>TUESDAY</u>		<u>WEDNESDAY</u>		<u>THURSDAY</u>		<u>FRIDAY</u>
9:00			W.E.				W.E.		
10:00			W.E.		Performance Class		W.E.		
11:00									

G. The classes and ensembles listed on page 2 and 3 are listed by activity group. There are six groups lettered A, B, C, D, E and F. Proceed through these groups in the order listed, carefully following the instructions given for each.
